All timidly it came.

"Dear God, the name Thou gavest me,

Kindly the Father looked him down,

The crows and choughs that wing the midway air
Show scarce so gross as beetles: Half way down
Hangs one that gathers Samphire; dreadful trade!
Methinks he seems no bigger than his head:
The fishermen that walk upon the beach
Appear like mice; & yon tall anchoring bark
Diminish'd to her cock; her cock her buoy
Almost too small for sight: the murmuring surge
That on the unnumber'd idle pebbles chafes
Cannot be heard so high: - I'll look no more
